**“As Canadian Unitarian  
Universalists, we envision a  
world in which our  
interdependence calls us to love  
and justice.”**

**If you are looking for a  
community in which to...**

- ✦ *explore life's "big questions" with people who like to think for themselves;*
- ✦ *put beliefs into action in your daily life and in the world at large;*
- ✦ *celebrate joys, and share concerns, in a spirit of friendship and mutual support;*
- ✦ *help children develop their own spiritual beliefs and moral values.*

**We invite you to join us in your quest!**

**We covenant to affirm and promote...**

- ✦ The inherent worth and dignity of every person;
- ✦ Justice, equity and compassion in human relations;
- ✦ Acceptance of one another and encouragement to spiritual growth in our congregations;
- ✦ A free and responsible search for truth and meaning;
- ✦ The right of conscience and the use of the democratic process within our congregations and within society at large;
- ✦ The goal of world community, with peace, liberty, and justice for all;
- ✦ Respect for the interdependent web of all existence of which we are a part;
- ✦ Individual and communal action that accountably dismantles racism and systemic barriers to full inclusion in ourselves and our institutions.
